

**The Rusty Pickle Stained Glass & Glassery
20795 White Lightning Trail
Wheatland, Missouri 65779**

EMPLOYMENT APPLICATION

PRODUCTION LABORER

DUTIES/REQUIREMENTS:

1. To establish, maintain and perform a tight production schedule that results in steady and predictable weekly production quotas.
2. To operate a water jet cutting machine using pre-determined coded file sets.
3. To manually operate a drill press to press small 5mm copper metal part into a hole that has been pre-drilled/cut into a glass object.
4. With ease and dexterity, to manually apply copper foil tape to glass with hands.
5. To manually wrap copper wire to a parts jig with hands and cut wire using a hand wire cutter.
